Jacynth Salmon-Brissett – School Representative
Marcheta Titterington – School Representative
P. John Cramp – School Representative
Marcia Hicks – Substitute Representative on Local 38 Executive
James Baker – Substitute Representative on Economic Policy
Committee

The year started with a very successful orientation with a record number of Substitute Teachers in attendance. This was followed by a workshop on 'Google Documents'. Several members of the Substitute Teachers' Group Executive attended the Provincial Substitute Conference in Edmonton. October saw a change in the Chair of the Substitute Teachers' Group Committee. A Fall General meeting was held in early December to deal with proposed amendments to the Substitute Teachers' Group Constitution and to fill the vacancy on the Executive Committee. A Christmas dinner was available for those members wishing to attend. A Luncheon and Speaker were offered for Substitutes at Teachers Convention. Another workshop was held in February on Inclusive Education. The interest was so great we doubled the number of attendees and still had a waiting list. The Substitute Teachers' Group Executive is meeting with the Coordinator of Teacher Staffing in May to discuss concerns received from members at our General Meeting in December. The Annual General Meeting and Election for 2017-18 will be in May.

Respectfully submitted,

Jana Hopper, Chair
Substitute Teachers Group
