I would like to thank everyone on behalf of all our teacher colleagues for submitting their names for nomination and volunteering for vacant positions on Local 38 committees. As a Local, we are very fortunate to have such a vibrant and involved membership.

As the Chair of Elections and Resources, I would also like to thank Arden Neustaedter, Recording Secretary, and Myra Hoffman, Office Coordinator, for their support in gathering nominations, communicating with nominees and bringing forward information for the Council of School Representatives.

Respectfully submitted,
