

Growing Leaders Through Networking – Lift Up Women

Local 38 Women in Leadership cordially invites all women leaders (within and outside the school setting) and aspiring teachers to our first networking event of the school year. Judith Hadden (System Principal, Leadership Development) will be guest speaking on women's experiences on the path to leadership and guiding participants through small and large group discussions. Food and refreshments will be served and there will be door prizes. This promises to be a wonderful evening full of meaningful connection, friendship, and conversation. Participants will walk away at the end of the night feeling a little more confident, empowered, and motivated to pursue their path in leadership.
