GURMIT BHACHU

FOR CALGARY VP

EXPERIENCED LEADER

With 20 years of teaching and 6 years of ATA committee leadership, I know the challenges you face and how to be an effective leader in our organization.

DEDICATED ADVOCATE

As a father of two kids in the CBE, and an experienced teacher, I have always been a vocal advocate for public education. I am a strong communicator who is not afraid to have difficult conversations and stand up for what's right.

ON THE GROUND WITH YOU

As your VP candidate, I know hands-on leadership is required to build the momentum we need for change. I have been on the ground organizing events in support of teachers and standing alongside you.
