

LOCAL 38 DIVERSITY & EQUITY NETWORKS

DENS are open for all Local 38 members to join!

Anti-Racist Teachers Network

The ATA Local 38 Anti-Racist Teachers Network is a community that provides support for staff committed to leading anti-racism work within their schools or context. The purpose is to create networking and learning opportunities to connect antiracist educators across Local 38. The ATN is also committed to creating antiracism learning opportunities and resources for all Local 38 members. The ATN is also committed to creating opportunities to connect and support racialized teachers within Local 38.

Meetings take place monthly on Wednesdays at 7pm, and virtually over Zoom.

Inclusion Support Network

The Inclusion Support Network is dedicated to fostering inclusive practices in education by providing support for teachers. This network assists educators who are working to support students with disabilities and students who identify in diverse ways related to disability, while also affirming and supporting teachers with disabilities and teachers who experience or identify with disability in varied ways. Our mission is to cultivate a school system where all educators and students are respected, supported, and genuinely included..

Please fill out this form to receive meeting dates and information for the hybrid meetings.

Teacher GSA

The Teacher Gender and Sexuality Alliance (TGSA) is a peer-support group sponsored by Local 38! We welcome all educators! This is a chance for 2SLGBTQQIA+ teachers to chat among friends and allies. The TGSA provides a safe space to connect, share resources, and find encouragement from colleagues who understand the unique challenges and rewards of supporting 2SLGBTQQIA+ students and fellow staff. Join us to build your network, gain support, and strengthen your impact as an inclusive educator.

Teachers can sign up by emailing calgarytgasa@gmail.com
