

Panel Discussion with Experts for Leaders

Your ATA Professional Development Committee invites Administrators to join us for a breakfast session and conversation to support professional practice. Please join us starting at 7:30 a.m., program to begin at 8:00 a.m.

This session will be a panel discussion with three very experienced colleagues who have a plethora of knowledge as principals and leaders. Bob Cocking, President of Local 38, and two retired principals who are as busy as ever, Carolyn Reed and Monty Slim. The purpose of the panel is to ask these experienced colleagues questions around which you might require both their insight and expertise.

To make this session as meaningful as possible for you, we are asking each registrant to forward one question and/or concern they would most like to see addressed by the panelists. There will be time at the end of the session for further questions and discussion.
